For Saturday, 26 November 2009

Penny Tanner-Hoath and Tony Carvajal bring you THE WEEK IN FOOTBALL on 107.9FM 9am to 11am this Saturday on Radio Fremantle

Join Penny and Tony and on the World Football Programme this week for another 2 hours of the World Game, discussing local, national and international events with insights from our special guests.

To begin the show with local football news and events and following we'll speak with **Salv Todaro** on how the WA Women's Futsal Team is progressing 3 years into his tenure as State Coach. We'll also ask him how the club he guided into the State League for 2010, Balcatta, is planning their first year in the top flight to ensure they are competitive and able to consolidate their position for future years.

At 9:30 we'll have **Paul Carreno** to give us a wrap on the Amateur World Cup finals being held at Lathlain Park. Shortly after, Lisa Ward will be speaking to us from Bunbury on the news that there is a plan to introduce a new South West Phoenix women's team to compete in Perth. As we all know, the tyranny of distance has always been a difficulty for Bunbury teams but now with the new Bunbury Highway this makes the travel easier for them and teams having to travel down to Bunbury. Sponsorship is also an issue. We'll see how this is going to be addressed to make the team viable over time.

Colin Sharland representing our passionate supporters in The Shed will share his views on Perth Glory's march to the finals. Last week's game against the then ladder leaders Sydney FC showed that the team can match it with the best.

An FFA representative will be on the Show at 10:15 to provide us with an overview of the growth of football across the nation and how WA compares to the other States.

Vitor Sobral from SBS' *The World Game* will be on the show to talk Champions League, EPL, La Liga and other world league news this past week and National Coach, **Tom Sermanni** gives us tips on the WA Matildas who are on the radar for the upcoming tours and who he sees as the outstanding players in season 2 of the W-League and much, much more.....

We always look forward to your calls throughout the show on 9494 2100 or text Tony on 0450 742 636 or Penny on 0408 921 832.
