With two good wins over reigning champions Sydney FC and the second placed Central Coast Mariners, the Perth Glory Youth have brought themselves right back into contention for the finals of the National Youth League. Only 2 points behind the second placed Mariners, the Glory have an opportunity to jump into the Top 4 when they take on Brisbane Roar at Clipsal Stadium. Injured Glory midfielder **Reece Vittiglia** chats with us about the squad, the game and his return to the side.

The Perth Glory Women caused the upset of the season with their 2 - 1 win over the reigning W-League Champions Brisbane Roar, ending their 18 game unbeaten run. The mastermind behind the result was coach **John Gibson** and he joins us ahead of their final fixture with Melbourne Victory.

SBS will be broadcasting the draw live from 1.45am (Perth time) and by this time tomorrow we will know the make up of groups. *The World Game's* **Scott McIntyre** joins us for the wash up and a comprehensive look at the groups and fixtures.
