This week will see Tony Carvajal hosting with Ann Odong on what is, as always, a full 3 hours of the World Game.

As the local seasons hot up and the World Cup draws closer there is plenty to talk about in the world game. We check in with Football West as they get their programmes up and running.

The School Sport WA, Smarter Than Smoking Glory Girls Cup finals were held last week with Phoenix Primary School taking out the tournament. Ron Addison, long-time coach and teacher at Phoenix talks to us about his girls winning the State Championships and what it means to them.

Northern Redbacks' midfielder **Nicola Williams** chats about last week's round of the Premier Women's league and all the latest news on the women's Football West State teams as they prepare for the National Championships.

Eamon Duffy will be on board to give us his always interesting take on the last week's State League games and preview this weekend's round.

Floreat Athena Coach and Perth Glory's **Ante Kovacevic** comes on board to let us in on what is happening at the Glory now that Robbie Fowler is on board and the search for a certain Crystal Palace's Socceroo's signature. We'll also ask him what the club is doing in regards to its community programs now that they have ex-Hockeyroo Captain and Olympic Gold medallist, Rechelle Hawkes at the club.

The national leagues may be on hiatus but the action hasn't stopped for the FFA. **Rod Allen**, FFA Head of Media Relations, fills us in on the state of play with our World Cup bids, the A-League issues with Gold Coast and North Queensland Fury and the coming season. We'll also discuss the success of Adelaide United in the Asian Champions League and their game against Jeonbuk Motors next week.

SBS' **Francis Awaritefe** continues his in-depth analysis and preview of the World Cup teams. This week the spotlight moves to Groups C and D featuring England, Germany and Australia.

SBS' **Vitor Sobral** will provide us with his vast knowledge of the major European leagues and we'll talk about their exciting culmination. The Bundesliga has been won, but La Liga, Serie A and Ligue Un are still at a stage where a couple of teams are still with a chance of winning the big prize.

4-4-2's **Andy Jackson** will review last week's EPL games and preview the last games of the season and try and predict who is going to be Champions for the 2009/2010 Premier League season.
