## MEDIA RELEASE

For Saturday, 2 July 2010

Join Ann Odong and *Let's Talk Football's* Murray Steven as they bring you all the action from the World Game this Saturday morning from 9 - 12pm.

Since leaving his role as a Youth Development Officer at Football West, former WA State League Gold Medal winner and Perth Glory midfielder **Mark Lee** has continued his development of the next generation of WA footballers through *Mark Lee Football Coaching* ([www.mlfc.com.au](http://www.mlfc.com.au)). We catch up with Mark and find out how the various development programs are going.

What a turnaround, year ago the Stirling Lions Football Club were rooted at the bottom of the APB State League table. Fast forward 12 months and the Lions are joint leaders at the top table with some impressive football. Part of that transition has been coach and former Lions champion **Paul Lincoln**. We chat with Paul about the turnaround of the club and their chances for the State League title.

In their final hit out before their opening Hyundai A-League season, Perth Glory will take on the best of the WA State League on 28 July 2010 at E&D Litis Stadium. The State team notched up their first win in 2008 with a 3 - 2 victory and new coach **Peter Murphy** will be looking to continue that trend. Peter joins us on the show to speak about the match and the tough job of picking a WA squad.

Women's Professional Soccer is the quickest and most exciting women's league in the world and it is up and running in its second season. Last Wednesday night saw the All Star match take place with the Abby Wambach XI taking on the Marta XI. Director of Communications **Rob Penner** joins us once again to chat about the League, the challenges and the triumphs.

With only five weeks until the 2010/11 A-League season kicks off, Perth Glory are stepping up their preparations as they head off on a 12 day pre-season camp to China. Things are also stepping up for the National Youth League runners up as final selection of the 2010/11 squad nears. One of the stars last season was ECU Joondalup striker **Tommy Amphlett**. The young striker joins us for the first time to talk about the trials and his move from the State League to the A-League.

12 months on from Perth's own football extravaganza, Sydney FC are about to embark on their own 'festival of football' as they prepare to take on some big name clubs. July sees the A-League champions host and play Everton, Blackburn, Glasgow Rangers and AEK Athens in a month of top class football. Sydney FC lets us in on all the preparations and excitement.

The FFA are looking for a new coach for the Socceroos and speculation is rife. Will we go Dutch again? Is there anyone in contention from Australia? We will contemplate all these questions and more with *The Australian* football writer **Ray Gatt**.

*The World Game's* Football Analyst **Francis Awaritefe** looks at the quarter-final match ups with a preview of the games and dissects the semi-finalists and potential semi-finalists. We also chat with Francis about the best players and managers of the tournament so far.

Finally, WFP regular **Andy Jackson** from *442 Australia* comes out of mourning this Saturday to look at the shocks and disappointments from the Round of 16. Not forgetting the obligatory post mortem of England's 2010 campaign; Will Capello stay on? What does the future hold?

Text Ann during the show with your comments, questions and news on **0433 816 000**.
