## MEDIA RELEASE

For Saturday, 17 July 2010

Join Ann Odong, Stirling Lions' President Don Evans and *Sportfm's* Ian Hooper as they bring you all the action from the World Game this Saturday morning from 9 - 12pm.

The National Youth Championships for Girls concluded last week with the WA sides acquitting themselves well without much luck. One player who did have a stellar tournament and was rewarded with 'All Star' representation is Perth Glory Women's midfielder **Jaymee Gibbons**. We chat with Jaymee about the Championships, WAIS and the upcoming W-League season.

It really is final preparation time for all the A-League sides and it is no different for the Perth Glory. The Glory will take on State League side Armadale City this Sunday at 3pm before combating the best of the WA State League this Wednesday, 28 July 2010 at E&D Litis Stadium. The last time the two sides met Mandurah City's **Andy Brown** led the WA team to a 3 - 2 victory. We catch up with Andy and find out how the WA squad is plotting the downfall of the Glory!

Long the poor cousin to outdoor football, in recent times Futsal has really taken off in its own right in Australia and in particular WA. Two weeks ago WA took out second place in the inaugural National Team Futsal Championship against stiff competition including teams from New South Wales, Northern QLD and Brisbane. We catch up with **WA Futsal** and chat about the growth of the sport and its importance in the development pathway.

In our Glory segment we catch up with Assistant Coach **Ian Ferguson** and find out how the China trip went and their fine tuning for the 2010/11 Hyundai A-League season. We hope to catch up with this year's new boys Melbourne Heart as they conclude their pre-season. *Soccer International's* **Adrian Musolino** joins us to look at A-League news including player movements, possible marqueees and how it's all shaping up.

Asia was well represented in the World Cup with both South Korea and Japan making it through to the Round of 16 and the Uzbek refereeing team led by Ravshan Irmatov officiating the semi finals. Back from South Africa we chat with The World Game's Asian correspondent **Scott McIntyre** about Asian Confederations performance in the tournament and some of the big moves happening around the place.

The World Cup has been run and won with European Champions Spain finally becoming world champions thanks to Andres Iniesta's late extra time goal. With a large part of the team from FC Barcelona, we thought we would catch up with the very active Australian supporters club and find out a bit more about them. Their newspaper editor and club spokesman **Ei Fut Bolo** chats with us about the talk about the world according to all things Barca.

PLUS: International transfer news, world cup wrap up and much, much more....
