Football West's Under 15 National Training Centre team is currently competing in the South Korea Cangjin Tournament. With matches against French side Valenciennes FC, Spanish giants FC Barcelona and South Korea's Cheong-Nyong, it's a chance for the NTC boys to pit themselves against some of the best youths in the world. Football West Game Development Manager **Andrew Bettell** talks about the boys participation in the prestigious invitational tournament.

WFP regular and Stirling Lions President **Don Evans** is one very happy man with his club taking out the State League Cup last Sunday in front of a packed crowd. We chat with Don about the victory, the APB State League final rounds and all the local news around the traps.

FFA Head of Women's Football Leeanne Grantham and Matildas Head Coach Tom Sermanni are just some of the names that will be attending Saturday's Women's Football Forum. Discussion will be focused around developing the female high performance program. Women's Standing Committee member and local women's premier coach **Leo Coppens** chats about the forum and the possible outcomes.

On top of the ladder and scoring goals, the Perth Glory are currently flying. However, this weekend's match against A-League newcomers Melbourne Heart will be a real test of squad depth. We speak with injured Glory defender **Jamie Harnwell** about his recover and Melbourne Heart Assistant Coach **Jesper Olsen** about their sides preparations for Sunday's encounter. We also catch up with Sportal football writer Paul Barbieri and find out his views on the A-League season if he agrees with Les Murray that it's the best edition yet!

In our international wrap we look at the qualifiers for the UEFA Champions League and the Europa League. Great news for Spurs fans with their side joining the elite of Europe with giant striker Peter Crouch's hattrick sending through. *The World Game's* **David Basheer** will be on hand to look at the qualifiers and the group draw. With Adam Peacock overseas, Fox Sports' **Mark Bosnich** fills in for our regular review and preview of the English Premier League.
