MEDIA RELEASE

For Saturday, 13th November, 2010

The World Football Programme welcomes you to another three hours of everything football with host Penny TannerHoath, Jason Washington-King and WA Hall of Famer John O'Connell in the studio.

We start the programme off with local football. WA Futsal veteran Penny Rinaldi talks up Vikings indoor football and the state Futsal teams for 2010-11. 2008 WA Hall of fame inductee and new Perth SC coach Ronnie Campbell joins us to discuss the new challenge of coaching the 2010 state league champions and his plans for the future of the club.

Nationally, Matilda's Coach Tom Sermanni joins us to discuss the first week of the W-League and how the teams are looking for the season. Canberra rolled Perth last week at Inglewood, but the first half showed us what the local squad is capable of in a fast paced energetic display of quality football from both sides. Ross Aloisi will also join us to chat about the A-League and his home side Adelaide's ongoing success. New to the Australian Youth Coaching roster, former Adelaide Coach, Aurelio Vidmar will give us his insights into the A-League National Youth League. Plus his experience so far in the national youth system and quality of player development here in Australia.

Looking to England aussiemags.net and Newcastle man Andrew McTernan discusses all that is happening in the EPL. Newcastle United are faring well in their return to the top flight and enjoying a top half of the table position. Andrew joins us from the web magazines fundraiser over East. He tells us all about it amongst all the fund raising frenzy.

Join Pen, Jason and John from 9am this Saturday on 107.9fm through to 12 for all the weeks reviews and upcoming news.
