## MEDIA RELEASE

For Saturday, 11 December 2010

The World Football Programme welcomes you to another three hours of everything football with host Penny TannerHoath, Jason Washington-King and special guest footballwa.net's Peter Simcox in the studio after 10am.

We start the program off with local football and speak with to Subiaco AFC board member **Andrew Jones**. It was a tough season for the Lions' ladies team and the off-season has seen further coaching movements. We speak with Andrew about the changes at the club for 2011 and the proposed inclusion of the state teams in the women's premier league in 2011.

The Perth Amateur World Cup is over for another year with Portugal beating out Macedonia 2 - 1 to take out the title in a highly entertaining final. Winning coach, **Joe Pereira** is on the line to discuss their fantastic victory last weekend and what it means to be world champions. To finish off the local flavour **Peter Simcox** will give us his insights into the upcoming state league season including player movements and rumours from around the league.

Nationally we touch base with Fox Sport's **Andy Harper**. The Fox Sports FC guys discussed the state of the game on Tuesday after the failed World Cup bid. We chat with Andy about what it all means and how it affects Australian football moving forward.

We finally catch up with Melbourne Victory's head coach **Vicki Linton**. It's been an up and down start to the season for the Victorian side with just the one win so far. But with a short W-League season, they are still in contention for the finals.

The final hour is all about international football with plenty to sink our teeth into. Two local football enthusiasts discuss the game with **John from Capel** talking to us about the ladies game. Meanwhile WA Hall of Famer and local legend **John O'Connell** chatting about his beloved Liverpool and all things Premier League as the competition heats up despite the cool English weather.

Join Pen, Jason and Peter from 9am this Saturday on 107.9fm through to 12 for all the weeks reviews and upcoming news.

Text Penny on 0408 921 832 anytime or ring the studio on 9494 2100 Saturday morning with your comments.
