MEDIA RELEASE

For Saturday, 18 December 2010

In our final show for 2010, join the full World Football Programme team of Penny TannerHoath, Ann Odong, Tony Carvajal and Jason Washington-King as they, along with Football West's media man Chris Correia, 990AM's John O'Connell and Aussie Mags Andrew McTernan, bring you 3 hours of local, national and international football.

We kick it all off with our local regulars **Don Evans**, **Eamon Duffy**, **Bob Kucera** and **John King** as they give us their goss and highlights from Capel to Melbourne.

Nationally, Perth Glory owner **Tony Sage** joins us as he speaks about the high points for him during a very challenging year for the Glory.

From the City of Churches, **Natalie Adamopoulos** brings us some whispers from within Adelaide town and former Soccerroos' captain **Paul Wade** looks at the year that was for Aussie football in what was a mixed 2010 for the game.

Internationally, our favourites look at the overseas Leagues and the big events in them. Fox Sports' **Adam Peacock** shines that dazzling smile down the telephone with EPL news and his thoughts on 2010. SBS young gun **Vitor Sobral** sheds light on European moments including those Tony will not let slip (yep that's the Spain factor).

There's more as we cover our choices for outstanding players teams and coaches for 2010 in the lead up to the FIFA awards in January. Plus snippets of audio from the big games in 2010 and special guests with their events from the World Game throughout the year; Tom Sermanni Francis Awaritefe, Stan Lazaridis, Andy Harper, Katie Gill and many, many more.

Vive Angeyo Ann Doris Odong we will miss your smooth linguistic skills, unfailing motivation and incredible technological skills that have helped the WFP grow from 1 to 2 to 3 hours since your introduction in 2006.

We are available on 0408 921 832 by text throughout the show 9-12 noon this Saturday and as always the programme is streaming live on www.radiofremantle.com or follow the links to the archive.

The Team will be having a break from Christmas and arrive back on the airwaves in February 2011. We go out with a bang giving our best wishes for Christmas to you and Ann Odong as she moves to Sydney to increase her rapidly expanding broadcasting skills. The WFP Team has some big boots to fill!

Thanks to all our sponsors, Football West, Chevin Heaven, Smarter Than Smoking, Dataplatz and all the individuals that have donated to keep us on air in 2010! Have a safe and happy Christmas and we look forward to bringing you an even better programme from February 2011.
