From :	General Manager, Competitions & Operations		
Subject :	Restructure of Women's Competition		

Further to my memorandum of 7 November 2011 (C-11-082), I am pleased to confirm that both Football West and the Women's Standing Committee have approved the final structure of the Women's State League.

The competition will consist of a Premier Division and a Division 1, each of which will consist of a first team and a reserves team. Based on the Expressions of Interest received, we can now confirm that the Women's State League will comprise the following teams:

Premier Division	Balcatta Bunbury Forum Force Northern Redbacks Queens Park	Beckenham Angels East Fremantle NTC UWA-Nedlands
Division One	Curtin University Leeming Strikers Noranda Quinns FC Suburbs Utd	Kelmscott Roos Melville City North Beach Subiaco AFC Warnbro Strikers

The remaining Women's League teams will form the Women's Metropolitan League which will remain essentially unchanged from previous seasons.

Once again, we would like to express our thanks to those who have contributed their time and effort to this process, and we look forward to an exciting future for women's football in WA.

Yours faithfully,

Keith Wood
