Welcome to the 2016 Bankwest Women's State League Night Series Competition.

On behalf of the Women's Standing Committee and Football West we wish all players, coaches and spectators an enjoyable experience in the season curtain raiser and hope that all teams take something from the games.

It is an exciting time for Women's and Girls Football in Western Australia with increased participation from females in all aspects of the game over the last year and early indications is that 2016 will see another record amount of females playing, coaching and officiating at all levels of the game in the State.

The expansion of the State League over the last 3 seasons now sees 11 teams in Division 1 and 8 teams in the Premier for 2016 and the introduction of promotion and relegation play offs at the end of the season will see the Premier League increase by one team per year over the next two years to give 10 teams by 2018.

That, alongside FW and FFA rolling out the Women's National Premier League model will see improvements in coaching standards, player development and pathways to the highest levels for all participants.

It is my pleasure to Chair the Women's Standing Committee and I thank the members and staff at Football West for their continued support, thanks must also go to Penny Tanner – Hoath who recently stepped down from the role after many years of valued service which has seen us get to where we are today.

Many thanks must go to the host clubs, Wanneroo City, East Fremantle and Queens Park who have offered their grounds so that this valuable competition can take place.

Enjoy the football and enjoy the season.

Dave Scragg

Chair

Women's Standing Committee
